STUDY IN A GROWING CITY

ABOUT PERTH

Situated in Western Australia, Perth is a vibrant, welcoming and diverse city on the move. Home to blue skies, pristine beaches, boutique wineries and delicious local cuisine, Perth offers all the qualities of an international city in an idyllic, laid-back setting.

Perth is located in the same time zone as Hong Kong, Singapore, Beijing and Kuala Lumpur, meaning you can easily stay in touch with friends and family while you study in Perth. Western Australia also has a very multicultural population, with the highest proportion of all overseas-born residents of all Australian states and territories.

Perth’s excellent standard of living makes it one of the most desirable places in the world to live, with residents and visitors enjoying more hours of sunshine than any other Australian capital city. Perth’s coastline comprises a long stretch of clear beaches, one of the city’s major attractions. Collectively known as the Sunset Coast, Perth’s beaches are popular swimming, surfing and snorkelling destinations, complemented by a variety of local cafes, restaurants and pubs. A short ferry ride from the mainland, Rottnest Island is Perth’s idyllic island playground where visitors can enjoy beaches, ride bikes, and revel in the island’s beauty and history.

WeeKenD eXPloring

 Twenty minutes’ drive from the city centre, Fremantle is a popular port city known for its high-quality seafood restaurants, weekend markets, unique shops, street performances and cappuccino strip. Fremantle Prison, which reopened as a public museum after it ceased to function as a prison in 1991, hosts exciting daily and nightly tours around the grounds.

The South West region of Western Australia is internationally recognised for its wineries, old growth forests and coastal beauty. Just a few hours’ drive from Perth, areas such as Busselton, Dunsborough, Margaret River and Denmark are well worth visiting, attracting visitors year-round.

INTERNATIONAL PRESENCE

Unlike many economies around the world, Western Australia has remained buoyant in the face of recent global downturns. The state’s mining and resources industries continue to thrive, heralding international projects, strong employment figures and a rise in construction activity. In 2011, the value of Western Australia’s mining and petroleum industry reached a record A$107 billion and projections suggest growth is likely to continue.

WHO IS IN YOUR CLASS?
Students who are planning on furthering their education at university or other tertiary institutes.

LEVELS
EAP is offered at levels 1 and 2. If you have a lower English level, you may need to study General English before beginning EAP. Your starting point will be decided at the application stage based on either results of a recognised English language proficiency test, or our placement test.

WHAT WILL I BE ABLE TO DO AFTER COMPLETING:
English for Academic Purposes 1
Identify main ideas, details and writer’s purpose in academic texts, use note-taking techniques effectively when listening to lectures, engage in conversations on academic topics, and write an academic essay using simple and some complex sentence forms.

*Curtin English social program scheduled activities*
Curtin English believes having fun and exploring Perth is just as important as learning and studying hard when in class. Our friendly social officer arranges exciting excursions that give students a chance to meet new friends, relax, and participate in social activities across Curtin and Perth.

In addition to social activities, we encourage students to attend workshops held by the Curtin Careers Centre, participate in volunteering activities with Curtin Volunteers! and join in sporting events and fitness classes at Curtin Stadium.

Our students are also invited to participate in all the activities and events organised by Curtin University. Visit the Student Guild website for more information at guild.curtin.edu.au
