IELTS Test Preparation aims to prepare students to take the IELTS test. It focuses on giving students a clear understanding of the IELTS test and the skills and strategies they need to be successful. The course is organised around a series of topics that match those commonly found in the IELTS Test, such as technology, society and the environment. Students in IELTS Preparation will:

- Receive an overview of the IELTS exam.
- Gain confidence in their speaking and listening skills.
- Use practice tests, error correction and teacher feedback to identify areas for improvement.
- Learn techniques and tips to help you do your best on the IELTS exam.
