This enables you to improve your own English language skills and develop your English language teaching skills.

Courses can be run in Australia, in your own country, or a combination of both. All courses are designed according to the needs of your group.

Accommodation

Select your accommodation and live comfortably in Perth.

Homestay

Live with an Australian family, couple or single person and learn about life in Australia.

Most students choose to stay with a homestay family when they first arrive in Perth. It’s a great way to improve your English and get to know your way around Perth. Your homestay family will provide you with meals on either a full-board or part-board basis depending on your choice. Homestay full-board offers three daily meals, 7 days a week. Homestay part-board offers two daily meals on weekdays and three daily meals on weekends.

Important note: Curtin English outsources this service to a recognised homestay provider.

Homeshare

You can experience staying in an Australian home in your own room with the independence of arranging your own meals.

Demi Pair

In return for weekly housework or babysitting duties, you can receive a free room and meals as well as a small weekly payment.

Share house

You could rent a room in a house that other people are already living in. You may share the house with other students or families who have a spare room. Most room rentals are single rooms.

If you choose to share a house, you will have to prepare your own meals, as no meals are provided. Living in a share house is a great way to meet other students.

Rented accommodation

You can rent your own house or apartment to live in. If you take this option usually you will have your family with you or you want to live by yourself without sharing accommodation with others.

If you want to rent your own accommodation, you will have to prepare your own meals.

Airport pickup

You may choose to be met at the airport when you arrive and be taken to your accommodation. This service is available 24 hours a day, seven days a week, through a Curtin English preferred supplier.

Contact english.enquiries@curtin.edu.au for more information.

About Perth
Perth offers all the qualities of an international city in an idyllic, laid-back setting.

Perth, the capital city of Western Australia, has been ranked as one of the top 10 most liveable cities in the world (Economist Intelligence Unit, August 2013). Located on the Western Australian coast beside the Indian Ocean, Perth often experiences sunny blue skies and has a comfortable climate. People from more than 200 nationalities reside here including a number of international students attending schools and universities who benefit from Perth’s well-developed education system.

Perth has all the facilities of a modern city including a reliable public transport system, which offers discounted fares to students on the network of ferries, trains and buses that service the city and suburbs. Shops, food, entertainment and services are available in the Perth CBD and suburbs, and there are many opportunities for sightseeing, shopping and relaxing.

A major attraction is the long stretch of clear beaches along its coastline that are popular as swimming, surfing and snorkelling destinations. A 20-minute drive from Perth city centre is Fremantle, the popular port city, rich in history and known for its high-quality seafood restaurants and weekend markets.

As a gateway to Asia and in the same time zone as Hong Kong, Singapore, Beijing and Kuala Lumpur, travel from Perth to these destinations or vice versa is convenient for international students. It is also easy to keep in touch with family and friends via Skype.

The strong, prosperous economy of Western Australia provides opportunities for employment. As an international student, you will be permitted to work up to 40 hours per fortnight on your student visa and full-time during the semester breaks.
